Impossible Says I'm Possible

A New Initiative Towards Make In India

COMPANY PROFILE

At Squirrel Engitech, we understand that successful products are born when thoughtful design meets manufacturing excellence.

We embrace change and anticipate evolving customer needs, continuously refining our approach in production, marketing, and distribution.

As an equal-opportunity employer, we are dedicated to quality, collaboration, cutting-edge safety practices, timely execution, and industry-leading professional expertise. We set benchmarks in industrial painting across India.

Our promise is straightforward—best-quality products, competitive pricing, and exceptional service.

ABOUT US

Established in 2020, **SQUIRREL ENGITECH INDIA LLP** specializes in manufacturing premium-quality compressors. Our product range includes **Oil Lubricated Compressors, Oil-Free Compressors, Pressure Switches, and Vulcanizing Machines.**

At **Squirrel Engitech**, our primary objective is to deliver comprehensive solutions that consistently exceed customer expectations. Our air compressors are engineered to deliver outstanding performance, meeting the rigorous demands of diverse environments, from job sites to workshops.

We uphold strict standards in precision and quality, ensuring optimal power and durability in every product we create. Quality is non-negotiable; excellence is our commitment.

"YOUR SATISFACTION IS OUR RESPONSIBILITY"

—that is the principle we live by.

Navigating the world of compressors might seem complex, but with Squirrel Engitech by your side, complexity becomes simplicity.

Vision

To become the world's most customer-centric company, a trusted destination for top-quality products at competitive prices.

Mission

To build lasting client relationships by consistently providing exceptional value within an environment built on trust and mutual respect.

Why Squirrel

UNMATCHED QUALITY

We craft our products from premium-grade raw materials. Every component passes rigorous quality control and testing standards.

TRUSTWORTHY RELATIONSHIPS

At Squirrel Engitech, building trust is our highest priority—more valuable than mere profit. We believe strong relationships form the foundation of lasting success.

COMPREHENSIVE RANGE

We offer an extensive variety of air compressors and end-to-end compressed air solutions tailored to your specific needs.

EXTENSIVE DEALER NETWORK

Our robust network of over 250 dealers ensures nationwide reach, providing reliable support across India.

ETHICAL BUSINESS PRACTICES

Responsibility and transparency define our operations. We stand accountable for every commitment we make.

SUPERIOR PACKAGING STANDARDS

Our products are securely packaged in high-grade corrugated boxes with EPS padding to prevent damage during transit.

COMPETITIVE PRICING POLICY

Superior quality doesn't have to come at a premium. Our goal is to deliver high-quality products at the best possible price.

RELIABLE DELIVERY

Timely delivery boosts customer satisfaction and loyalty. We guarantee shipments will reach you on your required date.
